PROFILE

Founder and solution consultant with a Computer Science background. I work from client discovery and positioning through scoped websites, content, lead paths and commerce workflows. My public portfolio distinguishes live work from prototypes and does not claim unmeasured sales outcomes.

RELEVANT CAPABILITIES

Requirements discovery, offer positioning, sales funnels, website and content planning, commerce operations, stakeholder communication, solution scoping, analytics and technical documentation.

CLIENT-FACING EXPERIENCE

DUYTRUYENTHONG Agency | Founder and Operator | Feb 2024 - Present

Translate client goals into websites, content systems and commerce workflows. Build and test internal product prototypes and use Codex-assisted development with reviewable QA records.

NINA Web Service | Solution Consultant | Dec 2023 - Dec 2024

Gather requirements, define website architecture and workflows, and align client needs with delivery scope.

iTechWX | Microsoft Technical Support Specialist | Apr 2025 - Present

Diagnose Microsoft 365 incidents across OneDrive, SharePoint, Exchange Online and Teams; reproduce symptoms, isolate causes, document evidence and coordinate escalations.

NINA Web Service | Web Developer | Jun 2023 - Dec 2023

Developed React and JavaScript features; debugged and tested interfaces; prototyped a retrieval-based support chatbot.

Amazing Tech | Junior Front-End Developer | Sep 2022 - Jan 2023

Supported responsive UI work, front-end refactoring, debugging and code-maintainability improvements.

SELECTED COMMERCE WORK

Growth Commerce OS | Live service website

Built a service website for the DUYTRUYENTHONG brand to explain its offer and guide visitors toward a conversation. Business impact has not been independently measured.

STOS Sales Traffic Operating System | Live product website

Built a sales-page product with templates, a page studio, inquiry capture and Insights for views, actions and leads. AI suggestions remain planned; customer and revenue impact are not claimed.

Cho Kenh | Live marketplace website

Built a TikTok channel catalog with filters, risk and audit indicators, detail pages and manual Zalo inquiry paths. The intermediary process is manual; automated checkout and completed transactions are not claimed.

EDUCATION AND LANGUAGES

Bachelor of Computer Science | Vietnamese-German University | 2021 - 2026. English: Professional Working Proficiency; German: A2.
